The Act of March 4, 1909, going into effect July 1, 1909, provides that the Catalogue of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

THE Catalogue of Copyright Entries is published in four parts. Part 4, issued quarterly, is arranged in three alphabets of proprietors, with subalphabets of titles as follows:

I. Containing Class G, Works of art (giving a list of the photographs or other identifying reproductions deposited according to law with the applications for copyright of Drawings, Paintings, Statues, Statuary, and Models or Designs for works of art).

II. Containing titles for Class H, Reproductions of a work of art; Class I, Drawings or plastic works of a scientific or technical character; Class J, Photographs (except Moving pictures); and Class K, Prints and pictorial illustrations.

III. Containing titles for Class L, Motion-picture photoplays; and Class M, Motion pictures other than photoplays.

Under the act of March 4, 1909, the preliminary entry of titles has been abrogated and registration follows deposit of copies with an application for entry in the Copyright Office.

To save space in the Catalogue the copyright notice after each title is abbreviated. The abbreviations used in this part are as follows: "G," Class G, Works of art; "H," Class H, Reproductions of a work of art; "I," Class I, Drawings or plastic works of a scientific or technical character; "J," Class J, Photographs; "K," Class K, Prints and pictorial illustrations; "L," Class L, Motion-picture photoplays; and "M," Class M, Motion pictures other than photoplays. "©" implies copyright registration of a published work, followed by date of publication. "© 1 c." stands for copyright registration of an unpublished work, followed by date of receipt in the Copyright Office of the photograph or other identifying reproduction; and "2 c." for 2 copies, followed by the date of their receipt. In the case of pictorial contributions to periodicals, only 1 copy of the pictorial contribution is required.

The annual index of proprietors, portraits, principal artists, and motion-picture titles is furnished for this part in the final issue for the year. The subscription price for part 4, which must be for the complete calendar year, is \$0.50 a year, payable in advance to the Superintendent of Documents by postal money order, express order, or New York draft.

Present: The King's Most Excellent Majesty, Lord President, Viscount Knollys, Lord Chamberlain, Mr. Secretary Harcourt, Mr. Arthur Henderson, Sir William Macgregor, Lord Justice Bankes.

United States
proclamation
of Apr. 9, 1910.

Whereas by a proclamation of the President of the United States of America, dated the 9th April, 1910, the benefits of the United States act of 1909, entitled "An act to amend and consolidate the acts respecting copyright," were extended to the subjects of Great Britain and her possessions, but no provision was made therein for the protection of the musical works of British subjects against reproduction by means of mechanical contrivances;

Mechanical
musical repro-
duction.

And whereas His Majesty is advised that the Government of the United States of America has undertaken, upon the issue of this order, to grant such protection to the musical works of British subjects;

British copy-
right act, 1911.

And whereas by reason of these premises His Majesty is satisfied that the Government of the United States of America has made, or has undertaken to make, such provision as it is expedient to require for the protection of works entitled to copyright under the provision of Part 1 of the copyright act, 1911;

Self-govern-
ing dominions
not included.

And whereas by the copyright act, 1911, authority is conferred upon His Majesty to extend, by order in council, the protection of the said act to certain classes of foreign works within any part of His Majesty's dominions, other than self-governing dominions, to which the said act extends;

Unpublished
works of
United States
citizens.

And whereas it is desirable to provide protection within the said dominions for the unpublished works of citizens of the United States of America:

Now, therefore, His Majesty, by and with the advice of his privy council, and by virtue of the authority conferred upon him by the copyright act, 1911, is pleased to order, and it is hereby ordered, as follows:

British copy-
right act, 1911.

1. The copyright act, 1911, including the provisions as to existing works, shall, subject to the provisions of the said act and of this order, apply—

Literary, dra-
matic, musical,
and artistic
works.

(a) to literary, dramatic, musical, and artistic works the authors whereof were at the time of the making of the works citizens of the United States of America, in like manner as if the authors had been British subjects;

INTERNATIONAL COPYRIGHT

(b) in respect of residence in the United States of America, in like manner as if such residence had been residence in the parts of His Majesty's dominions to which the said act extends. Residence,

Provided that—

(ii) the enjoyment of the rights conferred by this order shall be subject to the accomplishment of the conditions and formalities prescribed by the law of the United States of America; Conditions and formalities.

(iii) in the application to existing works of the provisions of section 24 of the copyright act, 1911, the commencement of this order shall be substituted for the 26th July, 1910, in subsection 1 (b). Existing works.

And the lords commissioners of His Majesty's treasury are to give the necessary orders accordingly.

ALMERIC FITZROY.

COPYRIGHT—GREAT BRITAIN.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

A PROCLAMATION.

Whereas it is provided by the act of Congress of March 4, 1909, entitled "An act to amend and consolidate the acts respecting copyright," that the provisions of said act, "so far as they secure copyright controlling the parts of instruments serving to reproduce mechanically the musical work, shall include only compositions published and copyrighted after this act goes into effect, and shall not include the works of a foreign author or composer unless the foreign state or nation of which such author or composer is a citizen or subject grants, either by treaty, convention, agreement, or law to citizens of the United States, similar rights"; U. S. copyright act of Mar. 4, 1909.

Sec. 1 (e).
Control of mechanical musical reproduction.

Sec. 8. Foreign authors who may secure protection.

And whereas it is further provided that the copyright secured by the act shall extend to the work of an author or proprietor who is a citizen or subject of a foreign state or nation, only upon certain conditions set forth in section 8 of said act, to wit:

Alien author domiciled in United States.

(a) When an alien author or proprietor shall be domiciled within the United States at the time of the first publication of his work; or

Countries granting reciprocal rights.

(b) When the foreign state or nation of which such author or proprietor is a citizen or subject grants, either by treaty, convention, agreement, or law to citizens of the United States, the benefit of copyright on substantially the same basis as to its own citizens, or copyright protection substantially equal to the protection secured to such foreign author under this act or by treaty; or when such foreign state or nation is a party to an international agreement which provides for reciprocity in the granting of copyright, by the terms of which agreement the United States may, at its pleasure, become a party thereto;

International agreement.

Proclamation of the President.

And whereas it is also provided by said section that "The existence of the reciprocal conditions aforesaid shall be determined by the President of the United States, by proclamation made from time to time as the purposes of this act may require";

commencement of this order shall be substituted for the 26th July, 1910, in subsection 1 (b)."

2. That "this order shall apply to all His Majesty's dominions, colonies, and possessions, with the exception of those hereinafter named, that is to say: The Dominion of Canada, the Commonwealth of Australia, the Dominion of New Zealand, the Union of South Africa, Newfoundland." And the lords commissioners of His Majesty's treasury are to give the necessary orders accordingly."

Now, therefore, I, WOODROW WILSON, President of the United States of America, do declare and proclaim that one of the alternative conditions specified in section 8 (b) of the act of March 4, 1909, now exists and is fulfilled in respect to the subjects of Great Britain and the British dominions, colonies, and possessions, with the exception of Canada, Australia, New Zealand, South Africa, and Newfoundland, and that such subjects shall be entitled to all the benefits of section 1 (e) of the said act, on and after January 1, 1915.
